

EcoCitē

on the canal

Unit #301
1223 sqft
\$ 450,000

all measurements are approximate and are subject to change.

Situated on the third storey, this single storey, 2-bedroom EcoLoft is one-of-a-kind. This particular home runs the entire north end the building, and has windows on three sides of the space providing you with various sources of natural light over the course of the day. The early morning sun can be enjoyed from the dining area, while in the evening, you can sit overlooking the quiet rear courtyard, while you take pleasure in Ottawa's colourful sunsets.

At over 1200 sqft there is plenty of space and flexibility in this home so that it can be modified to suit your changing needs over the years.
